

## DAILY MENU

### SPECIALS

Our specials board changes every day. Each course offers five dishes inspired by what's going on at Billingsgate and the fruit and veg markets in London. Our meats are supplied by Traymoor who source their produce locally and each week we choose a cut that has been recommended by the butcher. As with our traditional dishes, we make most things in-house, from the vinaigrette, mayonnaise and chips to the beurre blanc, fishcake, pies and desserts.
